STOMACH TROUBLE

CURED WITHOUT DRUGS.

Letter Published by Request of Our Well Known Druggist, Chas. Rogers.

To the Editor of the Astorian: "Believing that the people of Astoria will be interested in cures by such a simple remedy, and as so many letters of this kind are constantly coming to our attention, I ask you to publish the following for the good it may do others."

Mr. Thomas G. Wallace of Detroit, Mich., writes: "After being troubled with loss of appetite and stomach trouble, and trying many medicines without any benefit whatever, I commenced to take Vinol, and I am very much pleased to state that it has cured my stomach trouble, given me a hearty appetite, and I am stronger and in better health than I have been for years."

Mr. Rogers in referring to Vinol said: "You see, Vinol is guaranteed to contain no drugs and is such a simple, wholesome preparation with remarkable curative powers. It contains all of the healing and strength creating elements contained in cod liver oil but without a drop of oil or grease to upset the stomach and retard its work."

"Very few people who suffer with stomach troubles can take other forms of cod liver oil and emulsions or sickening drugs, but Vinol strengthens and tones up the weakened nerves of the digestive organs, and enables the sufferer to digest with ease the very foods that once caused distress. Vinol helps to change this nourishment into pure, rich, red blood and invigorates and strengthens the entire body."

"We ask every person in Astoria suffering from stomach trouble to try Vinol on our guarantee to give them back their money if it does them no good. This is an honest offer," Chas. Rogers, Druggist.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me.
